

# NetRiders Challenge

Cisco | Networking Academy™  
Mind Wide Open™

## APAC NetRiders 2009

The second APAC NetRiders 2009 Challenge was organized over Cisco [TelePresence™](#) and [Cisco WebEx™](#) which provided a powerful collaborative platform for the students to test their skills.

The winning team from Malaysia, Soon Sing Tee, Chamal Sapumohotti, Ravan Nagalingam, won an all-expenses-paid trip to the United States. competition.

This year's competition featured 16 countries with each country sending the winners of their national NetRiders competitions. Over 4,000 students across 16 countries competed for their respective national titles.

The competition involves two levels of testing. The first level is a multiple-choice online examination as well as an online test using Packet Tracer 5.2 (network configuration through computer simulation).

The competition is open to students of the more than 1,200 Cisco Networking Academies across the region.

In second and third place respectively were the teams from the Sri Lankan Institute of Information Technology and the American International University – Bangladesh, demonstrating the incredible diversity of talent in the Cisco Networking Academy.

Participating in their second Asia Pacific NetRiders, Team Cambodia traveled to Bangkok, Thailand in order to compete over the Cisco TelePresence platform. Their trip was sponsored by Cisco Thailand and Trust Gobar Service, CAMPURA and CISWORK, Cisco's channel partners in Cambodia.
