

Korean NetRiders 2009

On the 16th of July, Cisco Korea hosted 63 Networking Academy teams with 189 students participating in the 2009 Cisco Networking Academy Skills Competition in Korea.

Mr. JS Lee, the CEO of Ringnet gave a lecture to the participants of the competition. The Competition Award Ceremony was also attended by Mr. BC Cho, Managing Director for Cisco Systems Korea and Mr. JY Won CEO for Insung Information.

Congratulations to the Dong Seoul University who took out first prize, and will now go on to represent Korea in the APAC NetRiders Competition on the 29th of October 2009.
