

Chinese Culture University take out top prize for Taiwan!

On the 17th of July, PCCU & NCTU, Taipei hosted 75 teams participating in the 2009 Taiwan Cisco Networking Academy Skills Competition.

The event was held in conjunction with a careers showcase, where Mr Falcon Yang, Cisco Systems Engineer Manager Taiwan and James Chen, Technical Director for Ringline delivered career presentations to the students, and Cisco Training Partners highlighted the importance of certification for the students future Networking careers.

For the Taiwan NetRiders Competition the teams participated in multiple and single choice on line questions, as well as Packet Tracer problem solving questions and a final Lab exam.

Congratulations to the Chinese Culture University who will represent Taiwan in the APAC NetRiders Challenge 2009 in October.
