

NetRiders Philippines 2011

It was another exciting year for the Philippines NetRiders competitions. This year the competition was divided into two categories; Basic (CCENT level) and Advanced (CCNA level). Round one was completed on January 24th, where a total of 195 students competed, around 6 different geographic locations in the Philippines. The finals were held on the 24th of March, and hosted at Meralco Foundation Inc (MFI Inc.) This year also saw the first NetExcellence (Instructor) competition for the Philippines.

The Grand Champions were:

NetRiders (Basic)	NetRiders (Advanced)	NetExcellence
AMACC Davao	AMACC Davao	Warren Badong-AMACC Davao

Ansary Naga and Go Kenneth from AMA Computer College, Davao will represent the Philippines in the Regional NetRiders competition in October this year.
